

## **The Speights West Coaster**

***Event date: Saturday 14th, November 2009***

### **Driving directions to start (and event base)**

These directions will work if you're coming from the North Western motorway (which is not a bad way to kick start things on a Saturday morning if you want to find us!)

#### **Head west on the NW motorway.**

Head off at the Lincoln Rd (Henderson) exit and make a left - you'll be on Lincoln Rd.

At the second set of lights, make a right onto Universal Drive.

You'll hit a rather large roundabout, at this it's straight onto Swanson Rd.

Head along Swanson Rd then at the Waitakere Rd / Scenic Drive junction, veer left and this will turn into Scenic Drive.

Make a right turn onto Te Henga Rd, and this will turn into Bethells Rd.

Stay on Bethells Rd and head for the beach.

We will be on your left as you come to the end of the road.

**Allow 50 minutes from Auckland central.**
